

CITY REPORT

Sept 2024

Week 2nd-6th

"The Regional crossroads and destination that offers small-town Charm while providing big-city opportunities"

<https://www.waycrossga.gov/>

CITY REPORT

Executive Summary

The City of Waycross is integrating and training staff to enhance customer service and increase capability, while collecting and utilizing data driven analytics to drive future decision making. Additionally, the city is reassessing all procedures, processes, and programs to ensure proficiency & compliance and is adequately postured to better serve the community.

The City of Waycross is reevaluating the Capital Improvement plan to ensure it better aligns with the Operating budget to meet future requirements and deliverables as outlined in the Strategic Business Plan (working). Additionally, the Commission's priorities are to ensure safety, create a prosperous business climate, and to govern with transparency and effective communication.

"The Regional crossroads and destination that offers small-town Charm while providing big-city opportunities"

<https://www.waycrossga.gov/>

CITY REPORT

T-SPLOST & SPLOST

Waycross & Ware County 2024 T-SPLOST Proposal

What is a Single County T-SPLOST?

- A Special Purpose Local Option Sales Tax (SPLOST) is a sale tax used to fund capital projects proposed by the county and city governments. The Transportation Investment Act (TIA) or T-SPLOST is a regional sales tax for transportation purposes **ONLY**.
- 100% of the funds that are collected by this initiative will be spent on transportation projects in THIS COMMUNITY.

CITY REPORT

How much money will be raised with a Single County T-SPLOST?

- Assuming the max rate of 1.0% is leveraged for 5 years, it is projected that Waycross and Ware County will generate approximately \$45 Million from April 2024 to March 2029.
- These funds will be shared equally (50/50) between Ware County and the City of Waycross.

How can the money be spent?

Funds can only be spent on transportation purposes, which is defined in O.C.G.A. Section 48-8-260(5) as:

"...the tax are to be used in whole or part for capital outlay projects consisting of road, street, and bridge purposes, then authorized uses of the tax proceeds shall include: (A) Acquisition of rights of way for roads, streets, bridges, sidewalks, and bicycle paths; (B) Construction of roads, streets, bridges, sidewalks, and bicycle paths; (C) Renovation

"The Regional crossroads and destination that offers small-town Charm while providing big-city opportunities"

<https://www.waycrossga.gov/>

CITY REPORT

and improvement of roads, streets, bridges, sidewalks, and bicycle paths, including resurfacing; (D) Relocation of utilities for roads, streets, bridges, sidewalks, and bicycle paths; (E) Improvement of surface water drainage from roads, streets, bridges, sidewalks, and bicycle paths; and (F) Patching, leveling, milling, widening, shoulder preparation, culvert repair, and other repairs necessary for the preservation of roads, streets, bridges, sidewalks, and bicycle paths...”

Note: A minimum of 30% of revenue generated must be consistent with the Statewide Strategic Transportation Plan.

CITY REPORT

CITY REPORT

Public Works City Services

Sanitation Services

Garbage: Only the rollout may be used for disposal of residential garbage. If one container is not sufficient, the city will provide an additional container for residential, \$6.99, and commercial, \$11.13. Your container must be curbside the evening before your collection day. After the collection, the emptied container must then be removed from the curbside and returned to your storage area. Call City Hall at 912-287-2900.

Yard Trash: Yard trash should be placed on the curb or city right of way in one large pile (not on the street). Your yard trash must be ready for collection by 7:00 AM on your collection day.

Limbs should be cut in 8-foot lengths and be no larger than 8 inches in diameter. Tree removal will not be collected; this includes limbs, tree trunks, stumps, or stump grindings. Do not place yard trash next to any immobile objects such as light poles, mailboxes, cars, etc. For further information, call the Public Works office at 912-287-2955.

CITY REPORT

Household Special Pickups: This refers to the removal of large bulky items such as appliances, mattresses, furniture, carpet, and other household items. Customers may call weekly by Thursday at noon to schedule a pickup of five items or fewer. Collections are Friday of each week. Call the Public Works office at 912-287- 2955 to schedule your pickup.

More than 5 Item Household Collections: Customers having larger loads may call and request a special pickup. A special pickup fee of: ¼ load \$36.23, ½ load \$77.63, and full load \$155.25 must be paid in advance to City Hall. You will then be issued a pickup date on Tuesday or Friday. Call the Public Works office at 287-2955 to schedule a pickup.

CITY REPORT

**“PIPE UP”
AND HELP
US GET THE
LEAD OUT!**

We are committed to providing our citizens with a **safe and reliable water supply.**

The Environmental Protection Agency (EPA) has established the Lead and Copper Rule (LCR) to protect public health and reduce exposure to lead and copper in drinking water. It is estimated that there are between 6 to 10 million lead service lines still in existence in our country. **The primary source of lead in drinking water, when present, is pipes.**

To help us determine whether your home might have lead-containing plumbing materials and if further testing is recommended—**we need your help.** Simply scan the QR code below using your smartphone’s camera or QR code reader app to participate in a brief survey.

Your participation is greatly appreciated and your input is vitally important.
